

2022 AACMFS ANNUAL MEETING

April 21-24

One Ocean Resort | Atlantic Beach, Florida

Thursday, April 21:
Hands-on Skills Workshop

Friday - Sunday, April 22 - 24:
Annual Scientific Meeting

This activity is jointly provided by Medical Education Resources and the AACMFS. The AACMFS workshops are supported by an educational grant(s) for in-kind products.

SCHEDULE OF EVENTS

THURSDAY, APRIL 21: Preconference Workshop: Head and Neck, Craniomaxillofacial Sponsored by KLS Martin

FRIDAY, APRIL 22, 2022

7:00 – 7:45 am	Registration / Breakfast / Exhibits	Noon – 1:00 pm	Lunch / Exhibits
7:45 – 8:00 am	Welcome and Opening Remarks <i>Rui P. Fernandes, DMD, MD</i>	1:00 – 5:00 pm	ABSTRACTS - HEAD AND NECK ONCOLOGY <i>Moderators: Jasjit Dillon, MBBS, DDS; Dina Amin, DDS, FACS</i>
8:00 – 9:00 am	Keynote: Sat Parmar, BChD, BMBS, BMedSci <i>Free Tissue Transfer in the Vessel Depleted Neck and Unusual Vein Graft Cases</i>	1:00 - 3:00 pm	Presentations / Discussion
9:00 – 9:30 am	Break / Exhibits / Transition to Clinical Abstracts	3:00 - 3:30 pm	Break / Exhibits
9:30 – Noon	ABSTRACTS - PEDIATRICS, CRANIOFACIAL AND ORTHOGNATHIC SURGERY <i>Moderators: Michael Jaskolka, DDS, MD; Shelly Abramowicz, DMD, MPH</i>	3:30 - 5:00 pm	Presentations / Discussion
		5:00 pm	Adjourn for the day
		6:30 – 8:30 pm	Welcome Reception

SATURDAY, APRIL 23, 2022

7:30 – 8:15 am	Breakfast / Exhibits	Noon – 1:00 pm	Lunch / Exhibits
8:15 - 8:30 am	Opening Remarks	1:00 – 4:30 pm	ABSTRACTS - CRANIOMAXILLOFACIAL RECONSTRUCTIVE SURGERY <i>Moderators: Donita Dyalram, DDS, MD; Nick Callahan, DMD, MD, MPH</i>
8:30 – 9:30 am	Roundtable: A Stroll to the Past and Look Towards the Future: History of OMS-Head & Neck Surgery <i>Robert Ord, BDS, MD; Eric Dierks, DMD, MD; Robert Marx, DDS; Joseph Helman, DMD</i>	1:00 - 2:30 pm	Presentations / Discussion
9:30 – 10:00 am	Break / Exhibits / Transition to Clinical Abstracts	2:30 - 3:00 pm	Break / Exhibits
10:00 – Noon	ABSTRACTS - TRAUMA SURGERY <i>Moderators: Zachary S Peacock, DMD, MD; Shahid R Aziz, DMD, MD</i>	3:00 - 4:30 pm	Presentations / Discussion
		4:30 - 4:45 pm	Adjourn for the day Transition to Business Meeting
		4:45 - 5:45 pm	AACMFs Business Meeting
		6:30 pm	President's Beach Dinner

SUNDAY, APRIL 24, 2022

7:30 – 8:15 am	Breakfast / Exhibits	10:00 – 11:30	ABSTRACTS - EDUCATION, TRAINING AND RESEARCH <i>Moderators: Martin Steed, DDS; Steven Roser, DMD, MD</i>
8:15 - 8:30 am	Opening Remarks	11:30 - Noon	Summary and Closing Remarks AACMFs Annual 2022 Meeting Adjourns
8:30 – 9:30 am	Keynote: William M. Mendenhall, MD <i>Radiotherapy (RT) for Squamous Cell Carcinoma of the Oral Cavity (OC) and Oropharynx (Opx)</i>		
9:30 – 10:00 am	Break / Exhibits / Transition to Clinical Abstracts		

Sat Parmar, BChD, BMBS, BMedSci, FDSRCS, FRCS (OMFS)

Consultant Oral & Maxillofacial Surgeon; Head and Neck, Reconstructive Surgeon Univ. Hospital of Birmingham, UK

Consultant Oral & Maxillofacial Surgeon/ Head & Neck/ Reconstructive Surgeon. Mr. Sat Parmar graduated from the University of Leeds, School of Dentistry in 1986 where he was awarded prizes in Oral surgery, Children's Dentistry and Prosthetics. He was awarded the Fellowship in Dentistry of the Royal College of Surgeons in 1990. Parmar started Medical School at the University of Nottingham in 1990 where he was awarded a BMedSci in 1993. He graduated in Medicine in 1995 winning the Gold Medal for the best Medical student of the year and the Marsden Prize for outstanding contribution to the University of Nottingham. He obtained the Fellowship for Surgeons in General of The Royal College of Surgeons in 1998 and passed his Exit Fellowship in Oral and Maxillofacial Surgery in 2002. He was appointed as an Oral and Maxillofacial /Head and Neck /Reconstructive Surgeon at the University Hospital of Birmingham in 2003. He is actively involved in teaching and is a course instructor for Advanced Trauma and Life Support (ATLS), Trauma skills courses. He is the chair of AOUK (Craniofacial) and member of the European Board for AO and has lectured nationally and internationally. Parmar is a council member for the British Association of Head and Neck Oncologists (BAHNO). He carries out most aspects of general Oral and Maxillofacial Surgery but his sub-specialist interest is Salivary Gland/Head and Neck Cancer and Reconstruction.

William M. Mendenhall, MD, FACR

Professor, Department of Radiation Oncology, University of Florida Gainesville, FL

With more than 30 years on the faculty of the UF department of radiation oncology, Dr. Mendenhall is recognized as an expert in head and neck cancer as well as central nervous system, gastrointestinal and other malignancies. He also treats prostate cancer patients. He is a frequent contributor to medical journals, with more than 600 published works including *Journal of Clinical Oncology*, *Head and Neck*, *International Journal of Radiation Oncology Biology Physics*, and *Cancer*, and is regularly invited to speak at national and international oncology conferences. He is also recognized in publications such as *The Best Doctors in America* and *America's Top Doctors*. Currently, Dr. Mendenhall serves as Professor for the Department of Radiation Oncology at the University of Florida.

Robert Ord, DDS, MD, FACS

Professor and Chair, Oral and Maxillofacial Surgery; University of Maryland, School of Medicine; Greenebaum Cancer Center, Baltimore, MD

Dr. Robert Ord specializes in surgical oncology of the head and neck (i.e. management of tumors of the head and neck.) Most of his surgeries relate to cancer of the oral cavity, jaws, sinuses and salivary glands. He also has an interest in benign tumors of this region and reconstruction of the jaws and oral cavity. His ongoing interest in basic science and clinical research in head and neck malignancy has led to chemoprevention trials for premalignant lesions. Dr. Ord has a heavy commitment to graduate teaching at the residency and fellowship level. In addition, he lectures widely at national and international meetings. He is an examiner for the American Board of Oral and Maxillofacial Surgery, The Royal College of Surgeons of Edinburgh, and The University of Singapore. He has published over 85 scientific papers, 25+ books chapters and co-edited *Oral Cancer, The Dentist's Role in Diagnosis, Management Rehabilitation and Prevention*. He is the oncology section editor for the *International Journal of Oral and Maxillofacial Surgery*, sits on the editorial board of the *European Journal of Cranio-Maxillofacial Surgery*, oncology section, and also reviews the *Pan American Journal of Trauma*.

Eric J. Dierks, DMD, MD, FACS, FACD, FRCS (Ed)

Founding Partner or Head and Neck Surgical Assoc.; Affiliate Professor of Oral and Maxillofacial Surgery; Oregon Health and Science Univ., Portland, OR

A founding partner of HNSA, Dr. Dierks earned his medical and dental degrees from the University of Louisville. One of just a handful of American surgeons to be Board Certified in Oral and Maxillofacial Surgery as well as Otolaryngology (Head and Neck Surgery), Dr. Dierks completed his residency in these specialties in Delaware and in Texas. Dr. Dierks' surgical practice consists of Head and Neck Cancer and Reconstructive Surgery, Craniomaxillofacial Trauma, Cleft Lip/Palate Surgery, and Oral and Maxillofacial Surgery including complex dental implant surgery. He has an extensive experience in zygomatic dental implants. Dr. Dierks is an Affiliate Professor of Oral and Maxillofacial Surgery at OHSU. He has published over 120 journal articles and book chapters on his various areas of interest and is frequently called upon to lecture both nationally and around the world.

Robert E. Marx, DDS

Professor of Surgery and Chief of the Division of Oral and Maxillofacial Surgery, University of Miami Miller School of Medicine, Miami, FL

Dr. Marx is well known as an educator, researcher, and innovative surgeon. He has pioneered new concepts and treatments for pathologies of the oral and maxillofacial area as well as new techniques in reconstructive surgery. As a researcher, he has made valuable contributions in the use of hyperbaric oxygen following radiation therapy, in the development of platelet-rich plasma, and in elucidating the relationships between smoking and carcinogenesis. He also pioneered the clinical applications of recombinant human bone morphogenetic protein and stem cell use and was the first to identify what is now known worldwide as bisphosphonate-induced osteonecrosis of the jaws. For the past 34 years, he has overseen the training of scores of residents and fellows, many of whom have themselves established distinguished careers. His many prestigious awards, including the Harry S. Archer Award, the William J. Gies Award, the Paul Bert Award, and the Donald B. Osbon Award, attest to his dedication and commitment to the field of oral and maxillofacial surgery.

Joseph I. Helman, DMD

Professor of Oral and Maxillofacial Surgery, Case Western Reserve University Cleveland, OH

Dr. Joseph I. Helman is Professor of the Department of Oral and Maxillofacial Surgery at Case Western Reserve University. He received his DMD from the Universidad Nacional De Rosario in Rosario, Argentina in 1976. He was a recipient of the Fogarty International Fellowship at NIDCR at the National Institutes of Health, an Honorary Fellowship at the Chalmers Lyons Academy of Oral and Maxillofacial Surgery, and an S. Elmer Bear Visiting Professorship, Medical College of Virginia, Virginia Commonwealth University. He is widely published in professional journals, multiple book chapters and countless presentations at national and international meetings on surgical management of sleep apnea, head and neck cancer management and head and neck reconstruction. He is an active member and founding fellow of the International Academy of Oral Oncology, a member of the American Head and Neck Society, the International Association of Oral & Maxillofacial Surgeons, the American Cleft Palate Association and the American Association of Oral & Maxillofacial Surgeons and the American College of Oral and Maxillofacial Surgeons, in addition to multiple other organizations. He served as Chair of the Committee of Hospital Affairs of the Michigan Society of Oral and Maxillofacial Surgery, as a committee member of the North American SORG (Strasbourg Osteosynthesis Research Group), as Chair of the Research Committee of the International Association of Oral and Maxillofacial Surgeons.

Registration Information

Members / Fellows of the Academy:

Register for Meeting Online

<https://bit.ly/34JSZ1K>

Note following tuition schedule & plan to indicate participation in the Social Activities.

Tuition

Includes meeting syllabus, breakfast & lunch each day, refreshment breaks, Friday Evening Reception & Saturday Beach Dinner

AACMFS Members Registration: \$350

Guest / Spouse Fee: \$200

If you indicate attendance at the Reception and/or Dinner, add a guest/spouse fee if they will be joining you. Advance payment is recommended as onsite availability is limited. Fee includes both Reception & Dinner. No discounts for single event attendance.

Non-Member Presenters:

Look for your ACCEPTANCE LETTER with instructions regarding how to register online.

Please do not try to register at the above URL prior to receiving acceptance & instructions!

Plan to submit tuition of **\$50**, and indicate participation in the Friday Reception and/or President's Beach Dinner.

Invited Residents / Fellows of the AACMFS President:

Residents are invited to attend for free. Please register at the URL above and be sure to click "invited residents of the AACMFS President" to obtain a free registration.

Social Activities

All Attendees

FRIDAY, APRIL 22

Welcome Reception

Academy Members / Fellows & Presenters

SATURDAY, APRIL 23

President's Beach Dinner

Fancy Beach Attire appropriate

Cancellation & Refund Policy

Cancellation notice must be received in writing two (2) weeks prior to the meeting to receive a refund (by April 7).

No refunds will be offered after that date.

Meeting & Amenities

Meeting participation and food/beverage services are intended for registered healthcare professionals of the event. For optimum learning and compliance with guidelines, guests/spouses are not allowed.

Physician Credit

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Medical Education Resources (MER) and American Academy of CranioMaxilloFacial Surgeons.

MER is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

Medical Education Resources designates this live activity for a maximum of 17.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Course Location & Hotel Accommodations

1 Ocean Blvd | Atlantic Beach, FL 32233

- Meeting attendees are responsible for arranging their hotel stay.
- Group rate plus applicable fees and taxes:
Deluxe King or Double: **\$192.00**
Superior Oceanfront King Balcony: **\$342**
- Plan to **arrange your stay prior to March 21, 2022**. After that date, rooms & rates are subject to availability. The group rate has been extended to include pre-event night Wednesday, 4/20/2022.
- Arrange your hotel stay by phone, or via the online group portal:

CALL: 904-249-7402

ONLINE:

<https://bit.ly/3IG3jpl>

- To avoid an Early Departure Fee (one night room + tax), be sure to advise the hotel, before arrival, of any change in length of stay.

Private Meeting

The **2022 AACMFS Annual Meeting** is a private meeting. The AACMFS has designated this meeting for those who are Fellows of the AACMFS and invited guests.

Learning Objectives

After completing this activity, the participant should be better able to:

- Assess research abstracts and studies as they relate to craniomaxillofacial patient populations, pathology and treatment options, and the implications for changes in practice.
- Discuss advancements in biologics and technology in oral maxillofacial surgery, and appropriate utilization.
- Evaluate potential academic and curricular modifications to enhance knowledge, competency and improve relevancy.
- Examine contemporary interdisciplinary and cross-functional patient care delivery models with respect to your clinical setting.
- Assess unusual and challenging cases in head and neck surgery.
- Relate successful keys and caveats for an academic career to your practice setting.
- Explore contemporary and futuristic aspects in OMS-Head and Neck Surgery with implications for clinical practice, via a roundtable discussion.

Disclosure of Conflicts of Interest

It is the policy of Medical Education Resources to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a continuing education activity conforms to the generally accepted standards of experimental design, data collection, and analysis.

Overview

The mission of the AACMFS is to improve the health and quality of life of patients with congenital and acquired CMF disorders by the advancement of knowledge of the science and art of CMF surgery. Fellows of the Academy will present their selected abstracts on current research and innovations in practice in the areas of: 1) pediatrics, craniomaxillofacial and orthognathic surgery, 2) trauma, 3) head and neck oncology, 4) reconstruction and 5) education, training and research.

The goal of this activity is to bring together experts in their respective fields to share scientific studies, technological advancements and clinical outcomes, and ultimately to improve care for patients with craniomaxillofacial pathologies. Keynote speakers will address cutting-edge developments in craniomaxillofacial surgery, along with innovative strategies and leadership needed to revolutionize patient care.

Professional Practice Gaps

The Annual Scientific Meeting serves to bridge the gaps in knowledge and competence/skills, due to ongoing advances in oral maxillofacial surgery (OMS). Innovations in areas such as biotechnology and immunology, robotics, devices and instrumentation, and health informatics demand that clinicians stay abreast of improvements, to assess the potential impact on care and integrate appropriately. Fellows of the Academy are also involved in developing and teaching in OMS Residency Programs, as well as subspecialty Fellowships. Exploring topics in education, training and research addresses the gap in knowledge and strategy, to facilitate progress and growth in those academic areas.

Assessment of Need

Surgeons need knowledge updates and innovative clinical strategies for managing patients with oral maxillofacial disorders. The presentation and discussion of scientific and clinical studies addresses the need to assess technological advancements and outcomes, with a goal to potentially improve aspects of practice.

Methodology-Format

This course is structured to be highly interactive, where Academy members and their selected residents/fellows, present a five-minute abstract, followed by a ten-minute discussion period. The audience participates in the collegial debate and thoughtful assessment of the study. Keynote speakers will present lectures followed by audience discussion. Abstracts are printed in the meeting syllabus.

Target Audience

The Scientific Annual Meeting is for oral and maxillofacial surgeons who are Fellows of the AACMFS, who have come together to advance their field of practice and are interested in sharing experiences and setting future direction. Fellows and residents in related specialties may be invited by Academy members to present abstracts, and participate in the scientific meeting.

American Dental Association Continuing Education Recognition Program (ADA CERP)

Medical Education Resources (MER) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Medical Education Resources designates this activity for 20.5 continuing education credits.

Concerns or complaints about a CE provider may be directed to the provider, or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Note: Thursday, April 21 Skills Workshop is no credit/ Non-CME. It is a separate activity from the Annual Meeting.

Commercial Support

Neither grant funds, nor in-kind support were provided for this CME meeting.

Planning Committee

Rui P. Fernandes, DMD, MD | *President*

University of Florida College of Medicine, Jacksonville

Ramon L. Ruiz, DMD, MD | *Immediate Past President*
